WORK EXPERIENCE

Restaurant Quality Assurance Officer

January 2023 – Present

Golden Harvest Dining Group · Parañaque City, Philippines

- Conduct scheduled and surprise sanitation inspections across 9 restaurant branches, documenting findings and tracking corrective actions to closure.
- Apply HACCP principles to monitor critical control points in food storage, preparation, and holding temperatures.
- Develop and deliver monthly food safety refresher training for kitchen and service staff, improving inspection pass rates by 22%.
- Review supplier delivery records and storage logs to verify compliance with cold-chain and shelf-life requirements.
- Prepare detailed compliance reports and present findings to branch managers and operations leadership.
- Investigate guest food safety complaints and coordinate root-cause analysis with kitchen teams.

Food Safety Officer

July 2020 – December 2022

Coastal Bites Catering Services · Las Piñas City, Philippines

- Monitored food preparation areas and event catering sites to ensure adherence to sanitation and hygiene standards.
- Maintained temperature logs, cleaning schedules, and pest control documentation for regulatory readiness.
- Assisted in onboarding new kitchen staff with food handling certification requirements.
- Supported internal audits by preparing documentation and coordinating corrective action follow-ups.

Quality Control Assistant

March 2019 – June 2020

Fresh Table Restaurant Group · Muntinlupa City, Philippines

- Assisted senior QA staff in daily kitchen walk-throughs, checking food storage and preparation practices.
- Logged inspection results and flagged non-conformances for supervisor review.
- Helped organize staff training sessions on basic food hygiene practices.

EDUCATION

- Bachelor of Science in Food Technology — University of Perpetual Help System DALTA (2019)
