WORK EXPERIENCE

Hotel Reservations Supervisor — Maravilla Bay Hotel & Suites

Pasay City, Metro Manila | March 2022 – Present

- Supervise a team of six reservation agents handling individual, corporate, and travel-agent bookings for a 280-room property.
- Review daily reservation logs for accuracy against rate codes, room types, and guest requests before shift handover.
- Serve as the first point of escalation for booking discrepancies, overbooking situations, and guest billing disputes.
- Coordinate with the revenue management team on room availability during peak periods and citywide events.
- Prepare and distribute the daily arrivals and occupancy report to front office and housekeeping leadership.
- Conduct monthly refresher sessions on reservation system updates and standard operating procedures.

Key Achievements:

- Reduced reservation processing errors by 34% within the first year of supervision through a revised double-check checklist.
- Improved average guest inquiry response time from 6 hours to under 2 hours by restructuring the team's shift coverage.
- Supported occupancy coordination that contributed to a 91% average room occupancy rate across two consecutive peak seasons.

Senior Reservations Agent — Cordillera Peak Resort & Spa

Baguio City, Benguet | June 2019 – February 2022

- Processed individual and group reservations across phone, email, and online travel agency channels.
- Mentored newly hired reservation agents on system navigation and guest communication standards.
- Reconciled daily booking reports against the property management system to catch discrepancies before check-in.
- Assisted the front office manager in preparing weekly forecast summaries for department heads.

Key Achievements:

- Recognized as Top Performing Agent for three consecutive quarters based on booking accuracy scores.
- Helped streamline the group booking documentation process, cutting confirmation turnaround time by two days.

Reservations Agent — Cordillera Peak Resort & Spa

Baguio City, Benguet | August 2017 – May 2019

- Handled incoming reservation calls and emails, confirming room types, rates, and special requests.
- Entered and updated guest profiles and booking details in the property management system.
- Coordinated with housekeeping and front office on same-day room availability changes.

Key Achievements:

- Consistently met or exceeded monthly call-handling accuracy targets set by the front office department.
