- Work order management

PROFESSIONAL SUMMARY

Hotel engineering professional with over ten years of hands-on maintenance experience, including team supervision and preventive maintenance program leadership. Seeking a Hotel Engineering Supervisor role to manage technical operations and maintenance standards.

CAREER HIGHLIGHT

Lead the resort's preventive maintenance program and supervise a team of technicians during shifts.

WORK EXPERIENCE

Senior Engineering Technician — Lakeside Palms Resort

Tagaytay City, Philippines | August 2021 - Present

- Lead the resort's preventive maintenance program, covering HVAC, electrical, plumbing, and generator systems.
- Supervise a team of maintenance technicians during shifts and coordinate emergency repair response.
- Conduct routine building-systems inspections and prepare maintenance compliance reports.
- Support the Chief Engineer in budgeting for parts, contractor services, and equipment upgrades.

Facilities Coordinator — Lakeside Palms Resort

Tagaytay City, Philippines | April 2018 - July 2021

- Coordinated preventive and corrective maintenance schedules for the resort's guest rooms, pool area, and function venues.
- Managed work-order assignments for a team of five maintenance technicians.
- Monitored HVAC, electrical, and plumbing systems to minimize guest-impacting equipment failures.
- Coordinated with vendors and contractors for equipment servicing and parts procurement.

EDUCATION

Bachelor of Science in Electrical Technology

Muntinlupa Institute of
Technology, Muntinlupa City,
Philippines — 2013

TRAININGS & CERTIFICATIONS

- Occupational Safety and Health Training for Engineering Staff, Department of Labor Accredited Provider, 2014
- Electrical Safety and Grounding Systems Seminar, Philippine Society of Electrical Engineers, 2016
- HVAC Maintenance and Troubleshooting Workshop, National Technical Training Center, 2018
- Preventive Maintenance Planning Certificate, Luzon Facilities Engineering Institute, 2020
- First Aid and Basic Life Support Training, Philippine Red Cross, 2021
- Engineering Supervisory Development Program, National Technical Training Center, 2023

LANGUAGES

English, Filipino

Maintenance Technician — Sierra Vista Hotel Muntinlupa

Muntinlupa City, Philippines | November 2015 - March 2018

- Handled corrective maintenance requests across guest rooms, kitchen, and back-of-house areas.
- Conducted daily checks on generators, water pumps, and fire safety equipment.
- Coordinated with external contractors for specialized HVAC and elevator servicing.
- Maintained accurate maintenance logs and equipment inventory records.

Engineering Technician — Sierra Vista Hotel Muntinlupa

Muntinlupa City, Philippines | August 2013 - October 2015

- Performed routine inspection and troubleshooting of electrical, plumbing, and mechanical systems in guest rooms and public areas.
- Logged completed work orders and reported recurring equipment issues to the Chief Engineer.
- Assisted in preventive maintenance rounds for air-conditioning units and water systems.
- Followed proper lockout-tagout and safety procedures during equipment repairs.
