

NATHANIEL JAMES MERCADO

HOTEL KITCHEN OPERATIONS SUPERVISOR

0928-671-4459 • nathaniel.mercado.culinary@gmail.com • Mandaluyong City, Metro Manila, Philippines

PROFESSIONAL SUMMARY

Culinary professional with over nine years of back-of-house experience, including four years in a kitchen supervisory role. Skilled at leading production across restaurant and banquet lines while keeping food quality and safety standards consistent.

CORE COMPETENCIES

Kitchen operations management	Kitchen team supervision	Food safety and sanitation	Staff scheduling	Banquet food production
Quality control and portion consistency	Kitchen inventory coordination	Cost and waste control		

WORK EXPERIENCE

Commis Cook
Bahia del Mar Resort Kitchen · Batangas City, Batangas · April 2015 - February 2017

- Prepared mise en place for the main kitchen ahead of daily breakfast, lunch, and dinner service.
- Assisted line cooks in plating and portioning dishes during peak service hours.
- Followed standard recipes and food safety procedures for all assigned preparation tasks.
- Maintained cleanliness and organization of assigned kitchen stations.
- Consistently met preparation deadlines ahead of service, helping the kitchen avoid last-minute delays during high-occupancy weekends.

Line Cook / Banquet Cook
Meridian Grand Hotel · Quezon City, Metro Manila · March 2017 - September 2020

- Executed food production for both the hotel restaurant and banquet events, often on the same shift.
- Coordinated with the banquet captain to align food output with event timelines.
- Monitored food quality and portion consistency across large-batch banquet preparation.
- Managed kitchen inventory counts and reported shortages to the sous chef.
- Supported banquet service for events of up to 300 guests while maintaining consistent plating standards and on-time food delivery.

Kitchen Supervisor
Vantage Point Hotel and Convention Center · Pasig City, Metro Manila · October 2020 - Present

- Supervise daily kitchen operations across breakfast, restaurant, and banquet production lines.
- Create and adjust kitchen staff schedules to match anticipated event and occupancy volume.
- Conduct food quality checks and enforce food safety standards throughout the kitchen.
- Coordinate kitchen inventory ordering and storage to minimize waste and stockouts.
- Applied particular focus to kitchen leadership and multi-line production oversight in this role, in line with the direction of recent assignments.
- Restructured kitchen prep scheduling in a way that reduced food waste and improved on-time readiness for banquet events.

EDUCATION

- Bachelor of Science in Hotel and Restaurant Management, major in Culinary Arts, Cordova Institute of Culinary and Hospitality Arts, Mandaluyong City (June 2011 - March 2015)

CERTIFICATIONS

- Food Safety Certification — Department of Health-accredited training provider, 2016
