- Daily Revenue Balancing: Room Charges, F&B Posting & City Ledger Accounts
- Credit Card Gateway Settlements, Pre-Authorization Audits & Chargeback Defense
- Room Rate Variance Auditing, House Use / Comp Reconciliation & Cashier Balancing
- Overnight Front Desk Management, Late Check-in Reception & Emergency Duty
- Daily Manager's Report (DMR) Generation & Executive Flash Financial Summaries
- Overnight Keycard Access Security, Lock System Auditing & Guest Privacy
- PCI-DSS Security Compliance, Cash Float Auditing & Safe Drop Verification

WORK EXPERIENCE

The Peninsula Manila

July 2021 – Present

Lead Night Auditor & Duty Night Manager

Makati City, Metro Manila

- Execute overnight financial audit and system rollover for a 469-room luxury hotel and 6 dining outlets.
- Reconcile daily gross revenues averaging PHP 3.5M across rooms, banquets, and boutique outlets with zero variance.
- Act as overnight manager-on-duty, resolving guest check-in inquiries and managing nocturnal property security.
- Produce and distribute the Daily Manager's Operating Report to the General Manager and Finance Director by 5:30 AM.

New World Manila Bay Hotel

November 2018 – June 2021

Night Auditor & Rooms Cashier

Malate, Manila

- Audited daily front office cashier envelopes, settled credit card batches, and verified room rate tax calculations.
- Investigated rate override discrepancies and corrected billing folios prior to guest morning checkout rush.
- Balanced casino cross-charging accounts and maintained accurate foreign currency exchange records.

Manila Pavilion Hotel

June 2017 – October 2018

Front Desk Night Clerk

Ermita, Manila

- Processed late-night walk-ins, handled midnight guest requests, and delivered morning wake-up calls.
- Balanced petty cash drawers and printed room occupancy forecasts for morning housekeeping teams.
