PROFESSIONAL SUMMARY

Detail-driven hospitality professional with over four years of experience supporting hotel revenue operations, occupancy monitoring, and reservation analysis across mid-scale and upscale properties. Skilled in tracking room rates, validating reservation data, and preparing accurate revenue and occupancy reports that inform pricing decisions. Adept at coordinating with sales, front office, and reservations teams to align rate strategy with market demand. Recognized for strong analytical thinking, precision in data handling, and a consistent record of supporting revenue growth through timely, well-organized reporting.

CORE SKILLS

Revenue Management Support	Occupancy Analysis	Reservation Data Analysis	Rate Monitoring	Pricing Support

Analytical Thinking	Cross-Department Coordination			

PROFESSIONAL EXPERIENCE

Hotel Revenue Management Assistant

Jun 2023 – Present

The Meridian Grand Hotel Makati — Makati City, Philippines

- Assist the Revenue Manager in preparing daily and weekly occupancy and pick-up reports across 320 rooms, improving report turnaround time by 30%.
- Monitor competitor rates and market trends using rate-shopping tools, feeding findings into weekly pricing review meetings.
- Validate reservation data in Opera PMS to correct rate discrepancies, reducing billing errors by 18% year-over-year.
- Support the rollout of dynamic pricing adjustments for peak season and citywide events, contributing to a 9% RevPAR increase.
- Coordinate with Sales and Front Office to align group block allocations with forecasted demand.

Reservations Analyst

Feb 2021 – May 2023

Harbor Bay Resort & Spa — Batangas, Philippines

- Analyzed booking pace and cancellation trends to support forecasting for a 180-room beachfront resort.
- Prepared consolidated weekly revenue summaries for department heads, ensuring consistency across OTA and direct channels.
- Maintained rate parity across booking platforms, flagging discrepancies to the Revenue Manager for correction.
- Assisted in month-end reporting, compiling occupancy, ADR, and RevPAR figures for ownership review.

Hotel Reservations Associate

Aug 2019 – Jan 2021

Cityscape Suites Manila — Manila, Philippines

- Processed individual and group reservations, ensuring accurate rate codes and guest data entry.
- Supported front office and sales coordination during high-occupancy periods and citywide conventions.
- Generated daily arrival and occupancy forecasts used by the front office manager for staffing decisions.

EDUCATION

B.S. in Hospitality Management

De La Salle-College of Saint Benilde, Manila — 2019
