

Dominic Luis Herrera

Hotel Facilities Supervisor

📞 0935-228-9014 ✉ dominic.herrera.facilities@gmail.com 📍 Davao City, Davao del Sur, Philippines

PROFESSIONAL SUMMARY

Reliable Hotel Facilities Supervisor with over 8 years of experience overseeing property inspections, maintenance coordination, and facilities staff supervision across mid-size and large hotel properties. Strong background in preventive maintenance planning, safety compliance, and equipment lifecycle tracking to keep guest-facing and back-of-house areas in optimal condition.

CORE SKILLS

Facilities Supervision	Preventive Maintenance Planning	Property Inspections	Safety Compliance Monitoring
Equipment Lifecycle Tracking	Maintenance Staff Scheduling	Vendor & Contractor Coordination	Budget Monitoring for Repairs

WORK EXPERIENCE

Hotel Facilities Supervisor May 2019 - Present

Palmera Bay Hotel & Suites — Davao City, Davao del Sur

- Supervise a facilities team of 12 maintenance technicians responsible for guest rooms, public areas, and back-of-house equipment.
- Conduct weekly property inspections covering HVAC systems, plumbing, electrical fixtures, and life safety equipment.
- Develop and monitor the preventive maintenance calendar for major hotel systems, coordinating downtime with operations departments.
- Manage relationships with external contractors for specialized repairs, elevator servicing, and pest control.

KEY ACHIEVEMENTS

- Reduced guest room maintenance complaints by 30% after implementing a rotating deep-inspection schedule.
- Led the property through two consecutive fire safety compliance audits with zero major findings.
- Cut average work order resolution time from 48 hours to 26 hours through improved technician dispatch procedures.

Assistant Facilities Supervisor February 2016 - April 2019

Emerald Coast Resort — Samal Island, Davao del Norte

- Assisted in overseeing daily facilities operations across resort villas, pool areas, and common facilities.
- Coordinated maintenance technician schedules and tracked completion of assigned work orders.
- Supported budget tracking for facilities repair and maintenance expenses.

KEY ACHIEVEMENTS

- Helped implement a digital work order tracking system that replaced manual logbooks.

Maintenance Technician June 2013 - January 2016

Riverside Grand Hotel — Davao City, Davao del Sur

- Performed routine and emergency repairs across guest rooms, kitchens, and public areas.
- Assisted senior technicians with HVAC and electrical maintenance tasks.

EDUCATION

Bachelor of Science in Mechanical Engineering Technology

University of Southeastern Philippines, Davao City, Philippines
2009 - 2013
